## U.S. Army Focuses On Nonwovens

People

Precision Custom Coatings LLC (PCC), Totowa, NJ, has named *Moe Kovangji* general manager. Mr. Kovangji, a native of Prizreni, Kosovo, is a 30-year industry veteran who will be responsible for the efficiency of operations and production. A licensed engineer with additional advanced degrees in enterprise management and information technology, Mr. Kovangji has experience in helping manufacturers reach growth goals while minimizing production inefficiencies. He will work to apply his knowledge of total quality management (TQM), work-order systems, and human and technological relationships to further PCC's growth goals.
