Founded in 2008 by Lyndhurst native and coffee connoisseur Melissa Knott, **grounded. coffee catering**, a traveling full-function coffee café, has garnered an ever-growing circle of tri-state area fans.

**grounded.** puts an emphasis on top-of-the-line products, such as organic, fair-trade coffee beans blended and ground to exacting specifications, while operating as an eco-conscious company, composting coffee grounds and cups and only using 100% recyclable paper products.

Serving private and corporate events, **grounded. coffee catering** also serves as a tasting guide for those who seek to expand their java knowledge. In addition to Ms. Knott's catering services, **grounded.** can also be found every Saturday, March – May, at the Palisades Farmers' Market (Palisades Community Center, 675 Oak Tree Road) in Palisades, NY, from 9:00 a.m. – 1:00 p.m. And, beginning July 7th, every Wednesday, she will be at the Fair Lawn Farmers' Market (New Song Church parking lot, corner of Fair Lawn Avenue and Craig Road) in Fair Lawn, NJ, where she will be selling ready-to-brew bagged coffee and specialty drinks.

In addition to traditional coffee, **grounded.** offers espresso drinks such as americanos, machiatos, lattes, cappuccinos, and spiced chai, assorted organic teas, and non-coffee drinks, hot chocolate, and steamers. Core catering services include two hours of full tea, espresso, chai, and steamer service, with milks, cups, and a display menu included. Ms. Knott works closely with catering customers to design a menu that will appeal to their guests; and each event is priced based on guest count and chosen beverage options.
